PCEA-Orlando NEWSLETTER

PCEA Membership... helping you reach the peak of your profession.

President Rob Bauer – **PCEA Membership**

I just wanted to take this opportunity to thank all the members of the Orlando Chapter of PCEA for their support and participation in our organization. We are an “interesting” group of owner’s reps, general contractors, subcontractors, suppliers and even a consultant or two. We are estimators, owners, project managers, account managers, accountants, baby sitters, “hey boys / hey girls” or for most of us some mix of these. We have as many personalities as names of compa-

nies associated with this organization. But regardless of our differences, we are able to come together almost every month and participate as a group in an activity that, although may not be the Olympics, allows us to improve our local construction community by sharing knowledge, support and the even generate new work leads every now and again. Let’s face it, the past year was not stellar and this year has started out a little rocky as well, but, the world keeps turning and I look forward to the future and hope to limit some of the mistakes I have made in the past.

I guess the important thing is to maintain the relationships that we developed in the good times, grow them more in the bad times and come out on the other side stronger and smarter. To me PCEA is one of the few organizations in town that is a place for me to actually interact with some of my peers in the industry on a regular basis outside of the day to day office environment. I en-

courage you in the upcoming year (PCEA Fiscal year is June to June – That means member renewals are coming) to stick with the PCEA as well as take an active role in the shaping of the organization – Offer ideas, help out at events, speak up at the meetings - this is all of our organization and the only way we get better is by input from the membership. Thanks again for the opportunity of being your president this year and I look forward to seeing you guys at future member meetings and event (Cigar Social February 25th and seafood extravaganza in March). Happy February.

PCEA Needs Your Help!

National Convention Gift Bags

We are in the process of assembling give away items that will be included in the gift bags at the National Convention. Please bring any marketing items that you would like to have included in the bags to the February meeting. We need 100 of each item to be included in all of the bags but if you only have 25 or so items that will work! The bags will be handed out during registration in Jacksonville and we need everything! If you have items but will not be attending the February meeting please email Leslie at LeslieKittrell@aol.com and she will pick the items up at your office. Thank You for your help. Leslie

36th Annual PCEA
National Convention
April 28 - May 2, 2010
Jacksonville, Florida

Located amidst the hip and trendy San Marco Historic District of downtown Jacksonville—renowned for its boutique shops, eclectic dining, and chic nightlife, the Crowne Plaza Jacksonville Riverfront offers guest rooms with walk-out balconies and stunning views – many overlooking Downtown Jacksonville and the alluring St. John's River. It is ideally situated 15 miles south of the Jacksonville International Airport and located just off of I-95. While staying at Crowne Plaza Jacksonville, you'll find several dining options, including the famous Ruth's Chris Steak House and Riverfront Lounge. Additionally, the American Grill serves up a lavish breakfast buffet along with an expansive lunch and dinner menu featuring regional selections with southern inspiration.

Welcome from the National President

It's that time of year again - time to get fired up about our National Convention!

I hope everyone is planning to attend our annual PCEA convention from April 28th, 2010 thru May 2nd, 2010.

We always have a good time and the seminars, networking, tours and parties are outstanding. The host chapter/committee for convention will be our Orlando Chapter and they promise to make it a great one! They are hard at work setting up seminars, kick-off party, tours, past president reception and ball, awards dinner and the ever so amusing hospitality suite. Mike McGhinnis and the Catawba Valley Chapter are hard at work organizing the golf tournament. The Crowne Plaza hotel is a very nice facility (located right on the river) and there are plenty of restaurants and bars within walking distance. There are also beaches a short drive away and St. Augustine is close by. It is a lot of work to put on a convention and I want to thank the Orlando Chapter in advance for all of their hard work to make it a success. Please thank them in person when you arrive. Also please be sure to check out our sponsorship opportunities available. It has been my pleasure to serve as your National President this past year - I have learned a lot and I have had a great time. I hope to see all of your smiling faces in April!

Gail Chapman, PCEA National President
